(b) Any person, association, firm or corporation violating any of the provisions of this section may be enjoined by a suit filed by the city in a court of competent jurisdiction and this remedy shall be in addition to other penalty provisions or remedies.

Sec. 56-2. - Engaging solid waste services.

(a) It shall be unlawful for any person to engage or contract with an entity in the business of collecting any municipal solid waste and any construction-demolition waste generated within the corporate limits of the city, unless such entity is operating under a franchise agreement with the city, as required by section 56-1(a). Notwithstanding the foregoing, non-franchised entities may provide roll-off services if they are registered with the city and in compliance with section 56-4.

(b) It is the intent of the city to grant to a sole franchisee the exclusive right to all collection, hauling and disposal of municipal solid waste and construction-demolition waste within the city, except for roll-off services. However, if the franchisee cannot perform certain aspects of the [service] collection, hauling and disposal of municipal solid waste and construction-demolition waste within the city (except for roll-off services) or there are additional services that the city wishes to obtain, such as recycling or disaster debris removal, the city may solicit bids and contract with another entity, provided the city has allowed the current sole franchisee to submit a bid for said service.

(a) Any non-franchised entity may provide roll-off services in the city provided the entity is registered with the city and has agreed to the terms of service and fees. It shall be an offense for any entity to intentionally, knowingly, or recklessly provide roll off services without a franchise agreement or registration.

Right-of-way use fees due to the city for providing roll-off services shall be the same as the franchise fees paid by the city’s franchisee. Registered entities shall be required to submit a report of services provided and fees paid, twice a year.

(c) Price of roll offs shall be set by the registered non-franchised entity, not the city.

(d) Failure to pay the right-of-way use fees shall be an offense and shall be cause for revocation of the non-franchised entity’s permission to provide roll-off services within the city limits

(e) Revocation of permission and termination of the agreement for the non-franchised entity to provide roll-off services shall be the decision of the city manager, with right to appeal within ten business days to the city council.

As used herein, "CPI-U" shall mean the revised Consumer Price Index rate for all urban consumers (all items included) for the nearest available metropolitan area, based on the latest available figures from the Department of Labor's Bureau of Labor Statistics (the "Bureau"). The CPI-U used will be the CPI-U published by the Bureau during the month ninety (90) days preceding the adjustment under this Section 8.A. The amount of the increase or decrease under this Section 8.A. shall be equal to the percentage that the CPI-U has increased or decreased over the previous twelve (12) month period.

B. **Operating Cost Adjustment.** In addition to the rate adjustments provided for in Section 8.A., at any time during the term of this Agreement, the Franchisee may petition the City for additional rate and price adjustments at reasonable times on the basis of material or unusual changes in its cost of operations not otherwise the basis of any other rate adjustments herein. At the time of any such petition, the Franchisee shall provide the City with documents and records in reasonable form and sufficient detail to reasonably establish the necessity of any requested rate adjustment. The City shall not unreasonably withhold, condition or delay its consent to any requested rate increase. In the event the City fails or refuses to consent to any such requested rate increase and the Franchisee can demonstrate that such rate increase is necessary to offset the Franchisee's increased costs in connection with performing the services under this Agreement not otherwise offset by any previous rate adjustments hereunder, the Franchisee may, in its sole discretion, terminate this Agreement upon ninety (90) days written notice to the City.

C. **Landfill Cost Adjustment.** The parties acknowledge that the Municipal Solid Waste and Construction and Demolition Waste covered by this Agreement will be disposed of by the

Franchisee at a Landfill(s) chosen by the Franchisee in its sole discretion (the "Initial Landfill(s)"). In the event that the Franchisee is unable to use the Initial Landfill(s) due to reasons out of its control, the Franchisee (i) shall have the right, in its sole discretion, to dispose of the Municipal Solid Waste and Construction and Demolition Waste covered by this Agreement at another Landfill of its choosing, and (ii) shall have the right, upon giving prior notice to the City, to increase the Initial Rates by an amount equal to the sum of (x) the amount, if any, that the disposal fees charged to the Franchisee at such other Landfill exceed those previously charged to the Franchisee at the Initial Landfill(s), and (y) the amount, if any, that the transportation costs incurred by the Franchisee in connection with transporting the Municipal Solid Waste and Construction and Demolition Waste to such other Landfill exceed those that would have been incurred by the Franchisee if such Municipal Solid Waste and Construction and Demolition Waste was transported to the Initial Landfill(s).

D. **Governmental Fees.** The parties acknowledge that the rates herein include all applicable fees, taxes or similar assessments incurred under federal, state and local laws, rules and ordinances (excluding sales taxes and taxes imposed on income) (the "Fees"). The parties acknowledge and understand that the Fees may vary from time to time, and, in the event any of such Fees are increased or additional Fees are imposed subsequent to the effective date of this Agreement, the parties agree that the rates herein shall be immediately increased by the amount of any such increase in Fees or additional Fees.

E. **Fuel Cost Adjustment.** Beginning on July 1, 2020, and on each July 1 of this Agreement thereafter, the Franchisee shall adjust all the rates herein for any Contract Year in which the average price of diesel fuel during the preceding Fuel Year exceeded \$2.96 per gallon (the "Base Price"). The average price of diesel fuel will be determined by reference to the U.S. Energy Information Administration's published price for diesel fuel – Gulf Coast (PADD 3). The following website (or any successor website) will be the source for such information: <http://www.eia.gov/petroleum/gasdiesel/>. The average price of diesel fuel for each Fuel Year (each, an "Average Yearly Price") shall be the average of the weekly fuel prices published for each week during such Fuel Year.

The fuel cost adjustment for any Contract Year (each, a "Fuel Cost Adjustment") shall be the product of (i) 13.20% and (ii) a fraction the numerator of which is equal to the difference between the Base Price and the Average Yearly Price and the denominator of which is the Base Price. In the event the Average Yearly Price is greater than the Base Price, the Fuel Cost Adjustment for the following Contract Year shall be an upward adjustment to all rates herein. In the event the Average Yearly Price is less than the Base Price, the Fuel Cost Adjustment for the following Contract Year shall be a downward adjustment to all rates herein; provided, however, any Fuel Cost Adjustment shall never cause the rates to fall below the Initial Rates. Each Fuel Cost Adjustment shall be effective on each anniversary date of this Agreement for which such Fuel Cost Adjustment was determined. Notwithstanding anything to the contrary contained herein, the Franchise Fee shall not apply to the Fuel Cost Adjustment.

Formula:

$$[(\text{Average Yearly Price} - \text{Base Price}) / \text{Base Price}] \times 13.20\% = \text{Fuel Cost Adjustment}$$

As an Example only:

*Assumptions:*

*The Average Yearly Price for the Fuel Year ending on April 30, 2020 was \$3.06. The rate charged to each Single-Family Residential Unit utilizing one (1) Roll-Out and one (1) Recycling Container for the Contract Year ending on July 31, 2020 was \$20.13 per month.*

*$(3.06 - 2.96)/2.96 = .034$  (rounded to nearest one thousandth)  $\times 13.20\% = 0.45\%$  (rounded to nearest one hundredth of a percent) increase to all the rates contained in Section 7 hereof for the Contract year beginning on July 1, 2020..*

*$\$20.13 \times 0.45\% = \$0.09$  increase to the monthly rate for Single-Family Residential Units utilizing one (1) Roll-Out and on (1) Recycling Container.*

*The rate charged to each Single-Family Residential Unit utilizing one (1) Roll-Out and one (1) Recycling Container for the Contract Year beginning July 1, 2020 would be \$20.22 for the Fuel Cost Adjustment only.*

## **SECTION 9. EXCLUSIONS.**
