827 W Highway 6  
Alvin TX 77511

Dear Valued Customer:

The contract for Solid Waste collection in the City of Manvel has been extended another 5 years with Waste Connections of TX. We are proud to be your service provider for another five years. Waste Connections was founded in 1997 and has rapidly moved to one of the top three waste companies in the United States. Our headquarters are located in The Woodlands, Texas, and we have operations in 39 states, 5 provinces in Canada, and the District of Columbia. Our Regional office is located in The Woodlands, Texas and our District office is located in Alvin. We have additional offices throughout the Houston area including Angleton, El Campo, Goodrich, Houston, Humble, and Pearland. Waste Connections trains its employees to provide excellent service to our customers, while keeping public safety as our number one priority.

With the New Contract Waste Connections is pleased to offer twice a week solid waste and bulk collection to the residents of Manvel, nothing will change with your recycling service.

With this change in service, please note that your garbage service day will be changing (Unless you're a Rodeo Palms resident).
